

Are you interested in
registering as a
Speld Qld Specialist
Teacher?

Who are we?

Speld Qld is a not-for-profit organisation whose mission is to support people experiencing learning difficulties.

Speld Qld Services

- Advisory Line for families, individuals, schools and educators
- Assessment Services
- Assistive Technology training and advice
- Referrals to Specialist Teachers, face to face, at home and online
- Kindy Inclusion service
- Professional Development for teachers and schools
- Education opportunities for parents, children and carers
- Library of Specialist Resources

Role of Specialist Teachers

Specialist Teachers are not employees of Speld Qld nor are they “subcontractors” to Speld Qld. They are independent business operators who have students referred to them via the Speld Qld Specialist Teacher online directory.

In order to be eligible to list on this directory, Specialist Teachers must meet a minimum standard of practice and qualifications.

Pre-requisites for Registration

To be eligible for registration teachers must have...

- Current Qld Teacher Registration or equivalent relevant experience in specialist instruction as verified by Speld Qld.
- Current Blue Card or Blue Card Exemption (for registered teachers you can apply for a free exemption card using your QCT details). Information at www.bluecard.qld.gov.au
- Minimum of two years practical experience supporting students with literacy and/or numeracy.
- Training and experience in evidence-based program/s - see next slide
- Secondary Teachers need to have taught English and/or Maths.
- Current Tax File Number (TFN) and Australian Business Number (ABN).
- Satisfactory assessment of your application and an interview either face-to-face, phone or online.

Your registration entitles you to...

Speld Qld Specialist Teacher membership entitles you to:

- Online listing in our Specialist Teacher Directory
- Public Liability and personal indemnity insurance (Certificate of Currency available on request)
- 4 electronic magazines per year
- Use of Speld Qld library for books and resources (free postage for rural members)
- Support and advice line with Speld Qld and the Specialist Teacher Co-ordinator
- Access to a network of peers to share and collaborate with professionally
- Discount to attend all Speld Qld workshops

and Resources](#)

The Speld Qld Teacher Directory

Once your registration is complete (pending Specialist Teacher approval and payment of membership fee) the following process occurs:

- Your listing goes live on the online directory - you choose what details are shared on the directory.
- Prospective clients make contact with you via email.
- You must respond to all client contacts within 48 hours
- Gather relevant details from the family.
- Set up a time for enrolment interview or screening assessment (not typically charged fees for this)
- Advise family of their enrolment status (yes or no)
- Schedule regular tuition sessions or refer family back to Speld Specialist directory to explore their options with other teachers.

Tuition Mode

You may choose to offer tuition:

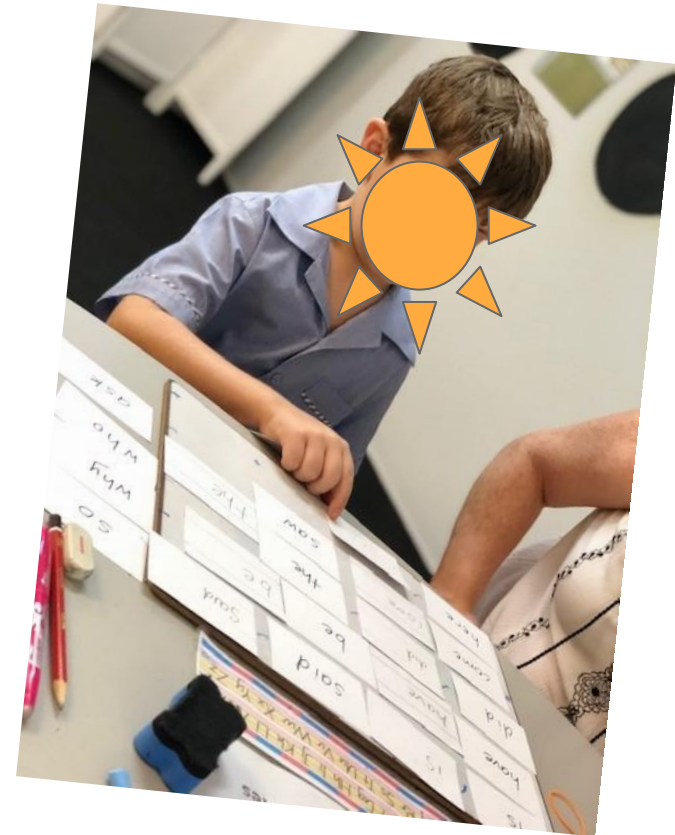

- Face to face in child's home
- Face to face in your home
- Face to face in child's school
- Face to face in an office/studio space
- Online via Zoom/Skype/Google meet etc.

As long as the tuition you provide is:

- ❖ Using evidence based programs and approaches
- ❖ Follows a structured, levelled sequence of learning that progresses with the student's skill development
- ❖ Is delivered with integrity and as the original program was designed to be delivered.
- ❖ Has clear benchmarks for achievement that are measurable using evidence based assessment tools.
- ❖ Is conducted in an organised, clean and safe learning space.
- ❖ Is supported by consistent and high quality feedback and information for parents.

We need professional educators with integrity and a commitment to life-long learning using evidence based practices in an ethical and compassionate manner.

Examples of teaching spaces...

Maintaining Registration

To maintain your registration teachers must...

- Provide high quality intervention to Speld Qld students using an evidenced-based program.
- Hold a valid blue card or blue card exemption.
- Completion of minimum 6 hours of certified relevant professional learning annually.
- Complete and submit written Semester Progress Reports for all Speld students.
- Keep adequate student records and enrolment lists so that they can identify what Speld referred students they are working with at any time
- Be willing and have availability to receive a minimum of 4 students a year by referral from Speld Qld.
- Compliance with any administrative questions or communication requirements requested by the Speld Specialist Teacher Coordinator
- Maintain accurate contact information and student records in your Teacher Kiosk
- Remind your clients to renew Speld membership each year so that they are covered by your membership insurance.

Summary

You ..

- have your own business or are employed by another business - you're responsible for your own processes, invoicing, timetabling etc. (You're not employed by Speld Qld)
- have the flexibility of choosing and organising your own working hours. This includes the frequency, days and length of your sessions (30, 45 or 60 min as example)
- decide your own fees - our current price guide to parents is \$80-100. *Speld Qld is not involved in financial arrangements between Specialist Teachers and families.*
- may choose to have both private and Speld Qld clients. There is no guaranteed number of Speld Qld referrals.
- have experience with teaching literacy/numeracy to students with learning difficulties
- use evidence based program/s
- will provide regular feedback to parents and a written progress report to Speld Qld each semester for financial members.

What else?

Many teachers make the mistake of starting out in tuition without realising they are now “business people” not employees of the Department of Education/school system anymore.

This requires a change in mindset.

- Think about protecting yourself, your assets and your professional reputation.
- Think about setting up the systems and templates needed to save time and money.
- Think about what you want your business to look like and feel like both now and in the future.
- Think about how you will invoice your clients and collect fees
- Think about how you will manage day to day communication with clients and debt recovery

Next step...

Speld Qld welcomes your application to our Specialist Teacher Network.

<https://www.speld.org.au/become-a-specialist-teacher>

Please forward further documentation to tutor@speld.org.au

- * Copy of your resume/CV
- * Copies of any tertiary qualifications
- * Copy of your blue card/exemption
- * Copies of any course certificates

The next stage is a Q & A session with our Specialist Teacher Co-ordinator. These are held twice per term.
